

REPORT OF LEASE OR POLICY VIOLATION

You may use this form to report lease or policy/rule violations, or submit a written report of your own in any format. You can drop reports at the office or in the drop box located outside the office.

We do our best to keep the name of the person who reported a violation private but we CANNOT assure confidentiality. When formal action is taken, the person has the right to dispute reports and may learn who complained.

The Property Manager will investigate reports of violations and take appropriate action. This may include issuing a verbal warning, a formal written warning, a formal lease violation, eviction, etc. Out of respect for our tenants' privacy we do NOT share with others the actions we take, if any.
